

SERVICE NOTICE

NUMBER: SN11-04

REVISION: 00

DATE: 03/09/2011

SUBJECT: SURFACE EFFECTS SHIMMY DAMPER RELEASE

EFFECTIVITY:

All KODIAK 100 Series Aircraft Operators

SUBJECT:

Quest is proud to announce the availability of the new Surface Effects Shimmy Damper. The Surface Effects Shimmy Damper utilizes surface effect technology, and therefore does not require servicing. The Surface Effects Shimmy Damper is life limited to 10 years. Refer to the **KODIAK 100 Maintenance Manual** for further details.

For a limited time, the price for the replacement kit (including damper, brackets and hardware) will be \$2,400. Instructions and parts may be obtained by ordering **FSI11-02** through Quest Customer Service. This price will be valid for orders placed prior to close of business on November 1, 2011, and is only applicable on a one-per-aircraft serial number basis. Additional spare dampers, or dampers purchased after November 1, 2011 are available at the list price of \$2,380 for the shimmy damper only (P/N **SE-1506-1**). Price is subject to change.
